

**SMARTDAAS**

Scientific & healthcare data analytics

CA Certified Small Business (Micro)
Available for federal & state contracting

CAPABILITY STATEMENT

CAGE 24V86 | UEI EVJ3PBCQU175 | CA SB (Micro) Cert ID 2055556

SmartDaaS, LLC provides scientific and technical consulting in healthcare data analysis, biostatistics, statistical modeling and research evaluation, including AI/ML testing, evaluation and validation. We turn complex clinical, observational and program data into rigorous, reproducible evidence for decision-making.

CORE COMPETENCIES

- Healthcare & Clinical Data Analysis
- Biostatistics & Statistical Analysis
- Data Management & Harmonization
- Data Quality & Cohort Construction
- Longitudinal & Survival Analysis
- Statistical & Mathematical Modeling
- Research & Program Evaluation
- AI/ML Testing, Evaluation & Validation
- Study Design & Statistical Consultation
- Analytical Reporting

DIFFERENTIATORS

- Independent, objective evaluation
- 14+ years of research experience
- Clinical, public-health & observational data
- Founder-led, with senior scientific involvement
- Reproducible Python and R workflows

FOUNDER EXPERIENCE

- Strategy and analytics consulting
- Data science and regulatory research
- Environmental and laboratory data analysis
- Research consulting for university teams

SMARTDAAS EXPERIENCE

Clinical Prediction & Model Evaluation

Built a clinical prediction model (~21,000 patients) and tested it on an independent external dataset.

Data Cleaning & Harmonization

Harmonized multi-source clinical and program data into analysis-ready cohorts.

Statistical Analysis & Program Evaluation

Analyzed and evaluated health program data.

Analytical Reporting

Prepared reports translating findings for decision-makers.

NAICS CODES

- 541690** Other Scientific & Technical Consulting (Primary)
- 541715** R&D in the Physical, Engineering & Life Sciences

- 541611** Administrative & General Management Consulting

- 541511** Custom Computer Programming Services
- 541720** R&D in the Social Sciences & Humanities
